- Please note that course work is being held at IKGPTU main campus Kapurthala and some other research centres at different locations. Each centre will be offering some selected core/elective subjects in concerned branches. It is advisable that students opt for attending course work at any location as per availability of desired subjects at that location. If possible student can seek guidance/advice of their supervisors before opting for the subjects/location depending upon their tentative research area. Student has to give three choices of research centres in order of preference in their provisional registration form. University will allot the centre as per choice of student but subject to administrative feasibility.
- After successful submission of the provisional registration form, student can download and print the submitted form. In service students are required to get the form forwarded from their current employer. In addition, if the student has opted for a supervisor in his admission application, he/she will get the consent of supervisor signed over the printout of provisional registration form. For such students who have not yet opted for a supervisor, they must finalize the supervisor after start of course work and submit the **written consent of supervisor to the university latest by 31-10-2019.**
- **University will allot research centre to all students latest by 20-09-2019.**
- **Students will report at allotted research centres at 10:00 am on 23-09-2019** for subject allotment to be done by the respective research centres.
